Le Passage  
to India

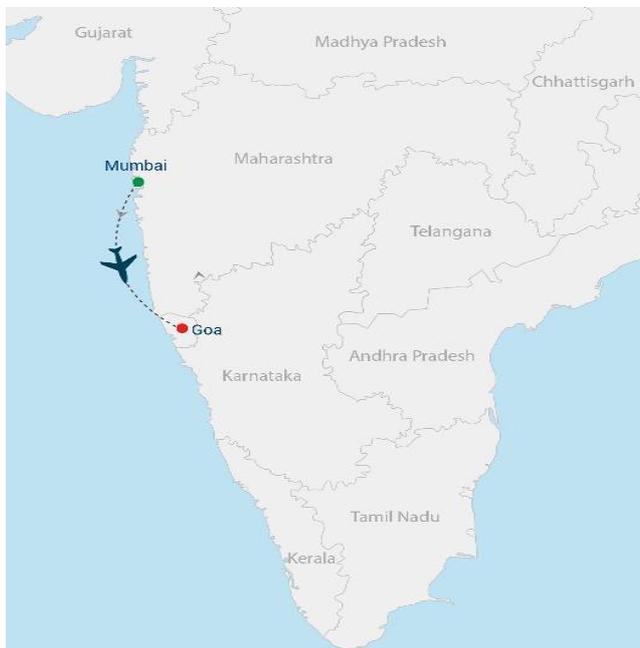

## TOUR OVERVIEW

---

Goa, till recently part of the Portuguese colonial empire, has a completely different heritage. Strung along the 100 km. coastline are some of the most dazzling beaches in the world. Imposing baroque churches and fine temples built in an architectural style quite different to those elsewhere in India are found here. Panaji (Panjim) the capital lies on the southern bank of the river Mandovi. Its residential areas are old and charming with cobbled alleys and overhanging wrought iron balconies. Seafood, made into the most delicious curry is a gastronomic experience all by itself.
