

I want to be a part of it...New York – New York

Frank Sinatra conseguiu retratar a nossa emoção ao visitar New York. Uma cidade envolvente, capaz de fascinar pessoas de todos os cantos do mundo e repleta de prazeres, seja qual for o seu gosto, é a síntese na natureza humana, com todas as suas contradições, convivendo em harmonia.

Com certeza não é uma cidade americana típica, mas definitivamente é uma cidade global que continua atraindo milhões de novos visitantes de todo o planeta, uma verdadeira Torre de Babel.
